Hi there,

I know you are surprise to hear from me, but I have been planning to write you for a long time. How are you <sup>and</sup> Uncle Abe? I hope that you are find and enjoying this lovely Summer weather.

I was reading the paper last week and it had a very good write up about your team. I keep up with them because they are tops with me. I also saw your picture in the paper when the season first open, and it was plenty sharp. I could see that you had not changed since I saw you last.

Well, I have been here for two weeks now and I have certainly enjoyed the amusements. I have been to several interesting places. My most exciting trip was to Coney Island. We were there yesterday. I had loads of fun and wished you were with us. (smiles)

Now that this is the beginning of the week we are quite busy, but the week end will soon be here and we will be going other places. Lorenzo said that Sunday he would be going to see his sister in Orange. If he does, we may stop for a moment just to see you. Will that be alright? I can't say definitely what time, so dont wait for us if you have other business.

Give my regards to Uncle Abe and be good until I see you.

As ever,  
Evora
